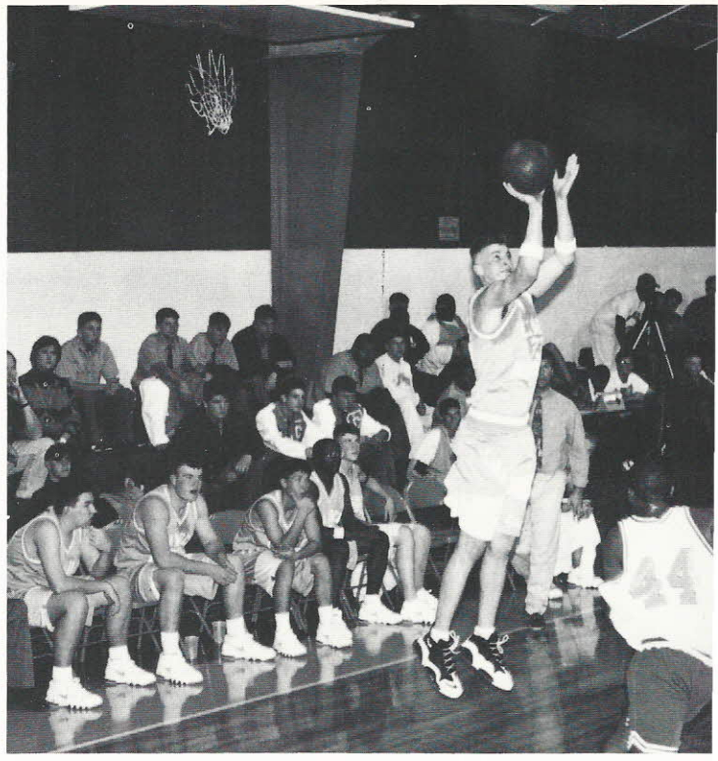
Varsity Basketball

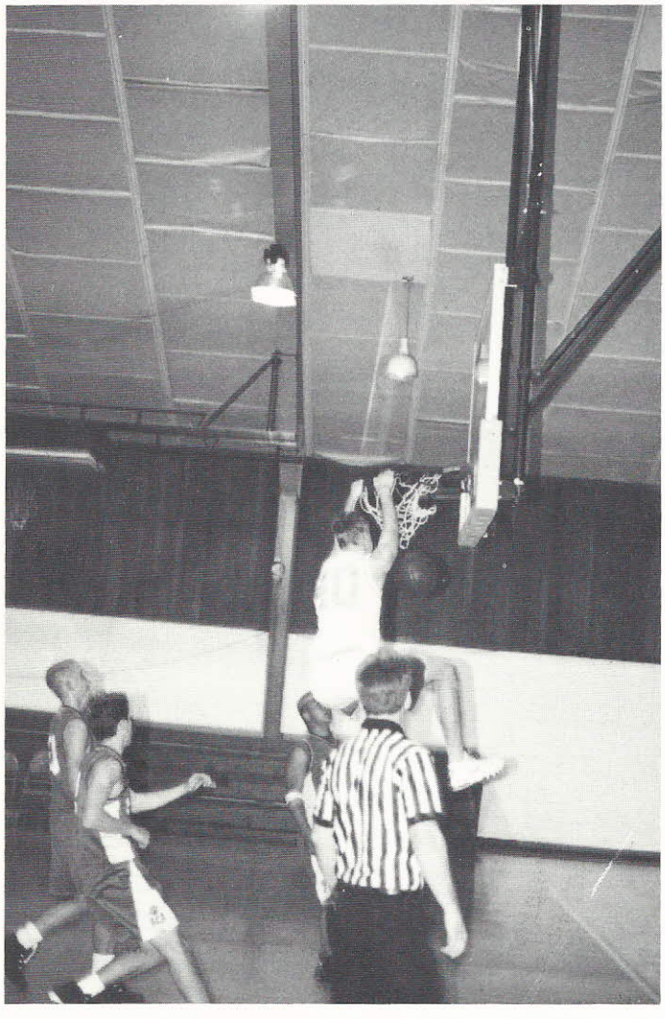
The varsity basketball team opened the season with a 72-55 win over Buford High School in the Great Falls Invitational. After that opening win, the Spartans struggled a bit and managed a 3-3 record at the Christmas break. After the break the team started to gel, and they posted a string of victories in January and February to finish with a 15-2 conference record and a 20-5 overall tally. The Spartans won the regular season conference title once again, and then they ran off three consecutive victories in the conference tournament to take the CAA Tournament Championship.

When reflecting on the past season, Coach Boland had these comments: "We started slow due to a lot of factors — the football team being in the state play-offs, a bout with the flu, and our new players getting used to each other. But as the season progressed we got better and better. The championship game in the tournament was probably our best game of the season. I said all along that to be a champion you have to play well in February, not December. We worked hard and improved as the season went along."

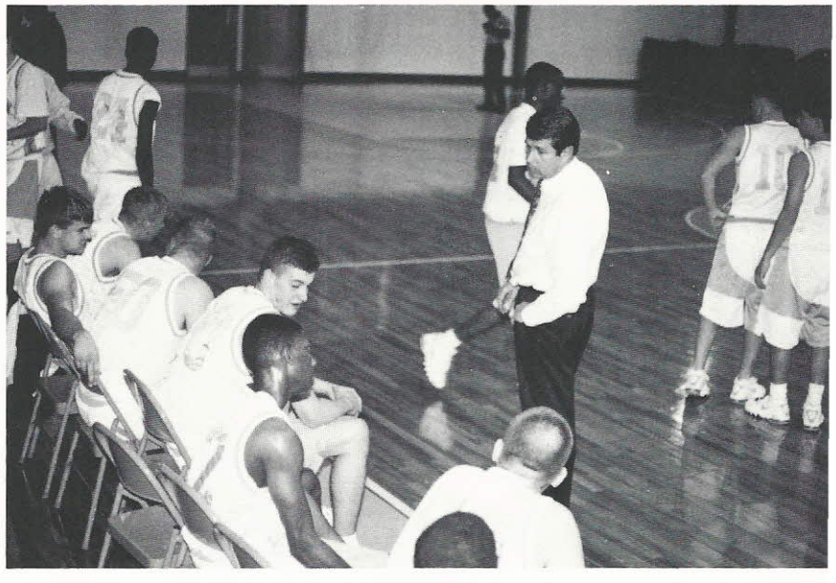
Three members of the Spartan team earned All-Conference honors: John Davis, Brooks Manley, and Mari Boyce. Brandon Garrett, Jimmy Pollard, and Kyle Wood also played big parts in helping the Spartans to the conference championship title.



Jimmy Pollard launches a perimeter jump shot over the opposing player.



Brandon Garrett grabs the rim for balance after slamming through one of his many dunks this season.



During a lull in the action, Coach Boland gives instructions to his resting starters.
