# Alma Mater

Beside the highway where the crowds are passing,  
Stands Andrew Jackson, proud Academy.  
And all will find who seek within her portals,  
A wealth of wisdom, truth, and loyalty.

Dear Andrew Jackson we will sing thy praises,  
And lift on high thy banner to the sky.  
Thy lofty aims will be our inspiration  
To deeds of honor  
As the years go by.

(Tune--Londonderry Air; words by Mrs. C. P. Key)

Go placidly amid the noise and the haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others.

You are a child of the universe no less than the trees and the stars; you have a right to be here.

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world.
