

ANDREW JACKSON ACADEMY

**We, The Senior Class
Present
The
Memories
Of
76-77**

Those who follow us are breaking a trail into a new tomorrow. It is our hope that the trail we have broken proves true and useful. It is our prayer that the great highway will lead through time to God's eternity.

We invite you to journey with us through our yearbook and see how we at Andrew Jackson Academy acquire our wisdom, knowledge, and power.
