Alma Mater

Beside the highway where the crowds are passing,  
Stands Andrew Jackson, proud Academy.  
And all will find who seek within her portals,  
A wealth of wisdom, truth, and loyalty.  
Dear Andrew Jackson we will sing thy praises,  
And lift on high thy banner to the sky.  
Thy lofty aims will be our inspiration  
To deeds of honor  
As the years go by.

Bright Horizons

We should be glad for distant things,  
For beauty 'round the bend;  
For highways that lead on and on  
With never any end.

Be glad for goals just out of reach,  
the challenge of a star,  
The glory of a distant light  
That beckons from afar.

For hopes and dreams are built on  
That enchanted distant mile  
and far off bright horizons  
make the road today worthwhile.

### Staff Appreciation

The Annual staff would like to express their appreciation for the cooperation of faculty, administration, and students in preparing this annual. We deeply appreciate your allowing us to interrupt classes, snap pictures, flash bulbs, and ask questions. An extra special thanks to Marsha Sease for helping us with the art work.

We have worked hard to record the happenings at Andrew Jackson Academy during the past year, and we hope this annual will serve well in the years to come as a reminder of the good times we have had here with our friends.

Thanks for your help and support. Linda, Wanda, JoAnn, Tammy, Bobbie and Gina.

### Editor's Thanks

Being able to work and create an annual that you will always remember has been a fascinating experience for me. We had a remarkable and ideal staff to help make this possible. The '79' annual has been an exhilarating challenge for all of us. It has had its difficult and pleasing times, but we think it was worth it. Not just for ourselves but for all of Andrew Jackson to look at, enjoy, and remember the Last of the 70's, we have worked.

Thank you for all of the things you have done for us — your help, opinions and most of all your support.

Thank you,

Donna
