Thanks to electricity, students are studying by much better light these days.
But lighting is only one of thousands of innovations brought about by electricity.
Innovations that have made education more exciting. And more challenging.
So work hard. And we at SCE&G will be working hard too. Working to insure
that you'll always have a plentiful supply of the world's most important energy.
SCE&G. WE KNOW HOW IMPORTANT ENERGY IS TO YOU.

**SCE & G — We know how important
energy is to you.**
