

VARSITY FOOTBALL

The AJA Varsity boys found themselves in an unusual position this year. Our school was unable to dress out a Varsity team; therefore, our boys joined forces with the Bowman Academy Varsity football team. Our boys showed dedication and love for the sport by putting forth much effort through time, travel and expense. Affectionately called the "BullFeds" were Dewayne Brickle, Leonard Carter, Mike Hall, Chuck McMillan and Todd Rentz. Although our boys wore Bulldog jerseys, we know that deep down in their hearts they were TRUE CONFEDERATES! Thanks for working so hard and for making AJA proud.

We love you "BullFeds"!
