

## Never A Dull Moment

### The Fabulous 50's

May Day 1990 was reality again for some of our parents; however, for the student body, it was a dream come true. We went back in time with Jason Peek portraying the once idolized Elvis. Poodle skirts, t-shirts, jeans, pony tails, and duck tail haircuts were our hip styles. We had a soda shoppe as our hang out, while Kristi Sease played our "Run Away Sue". We shagged, twisted, and Denise Godley even rocked around the clock. "Sixteen Candles" was sung by Ryan Harter to the girls, while Stan Smoak, Chasity Brandt, Ryan Harter, Joy Ackerman, Suzanne Webster, and Jason Peek finally went to the "Chapel of Love". "Hey, Good Looking" was sung by the first graders and the sixth graders even surfed! The May Pole by the seventh and eighth graders and Kindergarten clowns added a very special touch to our successful May Day. Too bad it was all a dream thought Heidi, as she woke up to find it was 1990, not 1950.
