As the 1990-91 school year passed, there was a tradition to be carried on — the '91 *Jacksonian*. "What's the Big Deal?" is our twentieth edition, so I wanted it to be really great! Throughout the year, there were lots of things to be done and many deadlines to be met. If it were not for the staff; Mrs. Wanda, our advisor; Charlie Tumbleston, our photographer; and Jack Young, our Josten's Representative, I don't know what I would have done. Everyone put forth a lot of time and dedication to make this year's *Jacksonian* a great success. Once more, thanks to everyone who contributed.
