

"Make It Last Forever"

After two weeks of decorating, Prom night had arrived. More than a hundred and twenty-five students, faculty and board members gathered into the gym which had been magnificently converted into a wonderland of teal, black and white. The night began with the welcome and response then was followed by dancing until midnight. The juniors had chosen a well thought out theme because the night will truly last forever in each person's memory.

"Make It Last Forever"

POEM To The Seniors

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun
We're very glad to know you
We'll miss you when you've gone
And to the class of '93
We dedicate our prom.

After two weeks of decorating, some of the junior girls seem to be having a great time at the prom.

Steve Harrell and Allison Carter carry on a conversation while dancing.

The prom night began with the welcome and opening speeches by the Junior and Senior Class Officers and Chairman of the Board, Larry Nipper.
