1993 STATE CHAMPIONS

Winning the State Championship with an 18-2 record gives our Lady Confederates the right to be proud! We decided to give our girls their bragging rights and here's what they had to say:

"I love softball," exclaims Joy Ackerman. It's not just a sport — it's something you can have fun while playing. To be the State Champions after losing the first game of the play-offs is something a team only dreams of accomplishing!"

"It was a new experience being on a winning team," state Denise Duncan. Because I was the youngest member of the team, I didn't get to play much, however, I hope that will change this year."

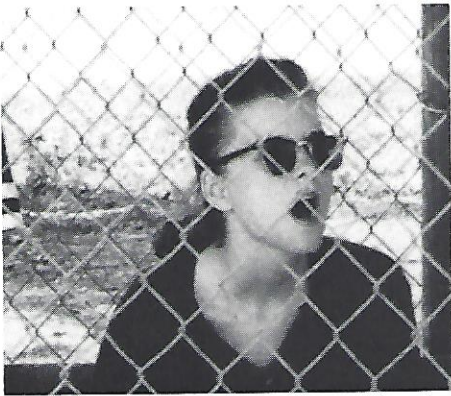

Christy Jones believes, "For all

of the hard work that we put forth during the season, we accomplished our goal. I was overjoyed!"

"Winning the State Championship meant a lot to me," says Tiffany Harrell. "We worked really hard this season and we deserved to win it all! We had to overcome a lot of difficulties on a more personal level this year."

Barbie Kinard exclaims, "I really enjoy softball and winning state was a real thrill because we played our hearts out all year to get there!"

The softball team would like to extend a special THANKS to the coach, Mike Hutto, and to all of the people who supported us throughout the season!

Greta Lightsey stares in awe over the smashing hit made by a fellow Lady Confederate.

Patently awaiting the arrival of the ball, Suzanne Fogle tightens her grip on the bat.

Catcher Tiffany Harrell looking way less than her best returns to home plate.
