

## ust The Two Of Us

Kristan Bledsoe  
Cassie Brunson

Being in a class with just two students has its advantages. **Kristan** said, "I don't want any more students in our class. It's fun just the two of us!" Since the second grade is so small it shares its classroom and teacher with the third grade. They like that because they're all good friends.

When asked what they like best about school, they both agreed that they like PE and library best.

Visiting the water fountain is a favorite thing to do for all students.

**Kristan Bledsoe** is no exception!

**Cassie Brunson**, a new student at AJA, seems a little shy but once you get to know her, she's a real doll. She enjoys being one of two young ladies in second grade.
