The sophomore class all agreed that the best part of the school day was when it was over!

This class enjoys a slice of life now but are looking forward to next year and wearing class rings and being closer to graduation.

The boys aren't the only ones who enjoy having more girls this year. Jessica likes having other girls to have to put up with the rowdiness of her fellow classmates.

Football is the favorite sport of this class and they all enjoyed winning State Champs again.

The sophomores also enjoy hunting, working and playing sports.

The majority plans to go to college. Wesley holds the record for missing the most days.

Eddie has the reputation for sleeping in class and never doing his homework.

Jessica is known for always being at school.
