

Rebecca:

Such a special baby you were -- long awaited -- very much appreciated. You have been a joy in our lives.

Such a special teenager you are and have been. Full of happiness, tears, questions, anxiety, anticipation, and energy. What a full life we are living with you.

What a special woman you will be. I see such promise in you.

I will miss following you through basketball and softball. I will even miss PTA meetings, chicken dinners, raffles, and carnivals.

Watching you grow has been a great experience. I pray for you daily -- for your safety, for guidance for you, for help as you make decisions. God will always help you if you only ask.

I've always been here for you -- I always will be.

Keep up the good work.

We love you,

Mom , Steven, & Michael
