The sophomore class readily admits what they like most about school is the four day week! Sports, small classes, and nice teachers all fall right in line.

Roxie said to be a Confederate meant giving it your all and Wayne added staying true to the game.

Kendall, Roxie and Melissa say they enjoy shopping on the weekend while Paul enjoys catching up on his sleep. Dustin, Joe and Wayne prefer hunting and going out on weekends. Maria likes to be with friends and always on the go.

Elizabeth says it is now fun to go cruising and out with friends since she has her license. Melissa says she is able to go shopping every weekend. Paul says it's fun to be able to go out when and where you want!
