

First Grade Favorites

Bubba Bryant
Sam Clayton
Axton Crolley

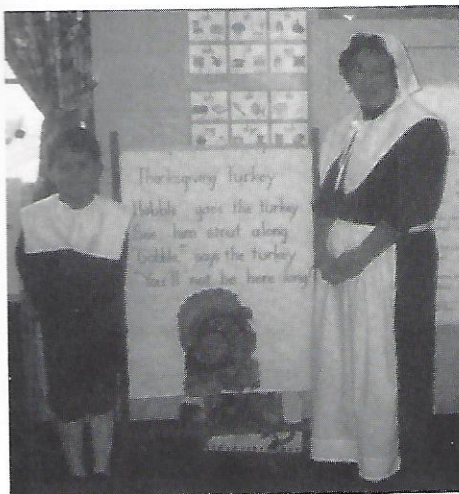

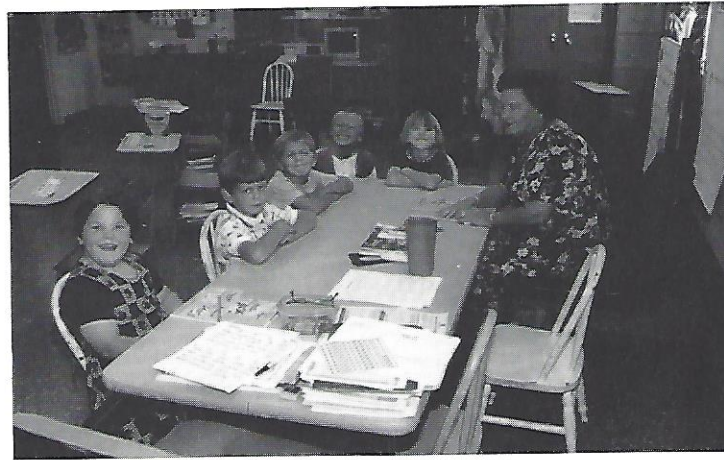

Nathan Oliver
Nicholas Martin
Megan McFadden

Taking a restroom break is a favorite thing for most students ... Sam Clayton is no exception.

These first graders have many different opinions when it comes to school. Their favorite subject is reading although Nathan said his favorite is "lunch." They also like their field trips. Axton liked the pumpkin patch. Their least favorite thing is "work" although Bubba said he likes it!!

Megan doesn't seem to mind being the only girl ... that makes her the guys favorite.

Mrs. Lois and Sam were our favorite pilgrims at AJA this year.

Megan, Axton, Nicholas and Bubba are favorite Indian braves and squaw.
