

To John Paul #40

Thank you for all the joy you've brought to our hearts. You've been the little boy we dreamed of. We have been blessed over and over again everytime you expressed your words of "thank you." You have always been grateful for everything even when we helped you with homework. You've worked hard to make your dream of playing football come true. We praise the Lord for your accomplishments. Remember Philippians 4:13 putting Christ first as you pursue your dreams. You're one in a million and we're so blessed to call you "ours."

Love,
Mom, Dad, Holly,
Bridgette and Jamee
