

Ashley,

*I was with you as you
graduated from kindergarten.
Now from heaven I'm watching
over you now and always.*

*Your guardian Angel,
Grand-daddy*

Ashley,

*You have grown so quickly from our
precious little angel into a beautiful
young lady. Thank you for all the
joy, happiness, memories and even
the tears. Reach for your dreams.
We are proud of you and always
here for you.*

*Our love and best wishes,
Mama and Daddy*
