

"Ability will enable a man to go to the top, but it takes character to keep him there."

Lee,
We hope life brings you many good things that bring joy to your heart and that all the dreams you're dreaming come true. You make your family and friends so happy by "just being you". You are just the kind of person the world needs lots more of. Remember to put God first and share yourself with others. Always live according to the way you have been taught and remember that we love you very much.

What are country boys made of? ... boots, caps and shotguns, pickup trucks, coon dogs and romps in the woods; but we wouldn't have it any other way!

Love,
Mom, Dad, and Amy
