

*It might sound sentimental,
A little old fashioned, too,
But can't help feeling mighty proud
Of a fine grandson like you!*

*We love you,
Ma Fluice and PaPa*

*Nicolas,
You are very unique and special. Your many talents
give you varied paths to choose. Your positive outlook
gives you the energy to accomplish great things. Your
determination gives you the ability to succeed in
meeting your goals.
We are so proud of you and there is nothing you can-
not achieve.*

*We love you,
Mom and Dad*

You're an All-Star Nephew...
May you always recognize the strength and character
that is yours and understand the countless joys you
bring.

Love,
