

A tribute to *Jacksonian*

On behalf of the entire Jostens team we wish to thank adviser Lenore Thompson, the 2000 *Jacksonian* staff and all the other Andrew Jackson Academy yearbook staffs before them for the privilege of being your yearbook publisher. Since our first book in 1972 we have cherished our partnership with Andrew Jackson and appreciate our small part in helping establish high standards of excellence at your school. We wish success for each of you in the future and look forward to the pleasure of serving you in the new millennium in 2001.
