

Dedication

The 2001 Jacksonian is dedicated to

OUR PARENTS – PAST, PRESENT, AND FUTURE

PAST – To our past parents who in 1971 realized a need for their children to have a quality education in a safe environment and fulfilled that vision by establishing Andrew Jackson Academy, we thank you for supporting AJA during the past thirty years. Without you, there would be no present nor future parents.

PRESENT – To our present parents who are now supporting AJA and still have the same principles and needs for your children to attend a school that is safe and offers a quality education, we sincerely appreciate you. You are preparing us to meet our goals of attending colleges, universities, technical, or trade schools, or of entering the work force.

FUTURE – To the parents of the future who will see the importance of continuing the success of Andrew Jackson Academy in providing a choice in educational opportunities, we say, “God bless your endeavors, may you keep strong convictions to produce well educated young adults with Christian morals and principles who are proud to have had the opportunity of receiving their education at Andrew Jackson Academy.”

In Memory

The 2001 Jacksonian is produced in memory of **MRS. JANICE NETTLES BRANDT**. “Mrs. Janice,” as she was affectionately called around AJA, was one of the most loving and generous supporters of the Academy. “Mrs. Janice” was married to Mr. Donald Brandt. When their oldest daughter, Dawn, entered first grade in 1971-72, “Mrs. Janice” became a member of the AJA Family. Their other daughters Wendy, Shannon, Chasity, and Angel followed Dawn and all graduated with honors. Their youngest daughter, Roxanne, is a member of the Class of 2001 and will also graduate with honors. Mrs. Janice’s husband, Mr. Donald Brandt, and the rest of their family have continued the tradition of supporting the academic and athletic programs of AJA.

God called Mrs. Janice home suddenly in 1998 and left a void in our lives; however that void is filled with fond and loving memories of the love she extended to the faculty, students, and parents of AJA.

“Mrs. Janice” is now one of God’s angels watching over all the lives she has touched.
