

Neighley,

You fill our hearts with love and pride. Watching you grow from a little girl into a mature young woman has been a wonderful experience.

You've brought such joy in so many ways - and we still treasure warm and lasting memories of when you were a child. We don't know where the time has gone, but we do know that the years have filled our hearts with pride and love. And, just remember, each new year brings even more special moments. Good luck in the future and remember we will all be there for you.

Love always,  
Mamma, Daddy, Kendra, Lisa,  
Robbie, Robert, Kristen and Barbie

To My Granddaughter, Our Niece, and Our Nee Nec,  
We have watched you grow into a beautiful young woman. It is hard to believe that your Senior Year is coming to an end. Your high school years will hold a precious and memorable place in your heart as you continue your education.

Remember that you will always have the love and support of your family. May your future be bright and successful!

Love,  
Mammy, Aunt Marcia, Uncle Gary,  
Jessica, Preston, Cory, Aunt Belinda,  
Uncle Brett, and Morgan

*Always remember your special angels above are watching over you and that we are very proud of you.*
