

To My Little Sister

My little sister

Oh, how you have grown

My little sister

Who loves to talk on the phone

My little sister

The sports star

My little sister

Who drives a black car

My little sister

I love you so

My little sister

Go out there and make some dough!

Love,
Chasity

Aunt Roxy,

We love you very much and will miss you when you go away to college.

Love,
Austin, Alexis and Jayna

You're the youngest of us all
The Lord did make you tall;
But what of the eyes of brown
- of blue, we've lately found!?!
A sister who's so foxy
It could only be our Roxy!

*Congratulations and love
to our little sister,*

Dawn, Wendy and Angel
