

Melissa,

We are very proud of the person you have become. You are a shining light in our hearts and in our lives. Your honesty, integrity, and kindness continue to remind us all of the people we should be. You are as beautiful on the inside as you are on the outside.

As you grow into adulthood, remember never to pursue the passing at the expense of the permanent. You are beginning to take the journey that begins where the path ends. Walk in Faith knowing that God will lead the way. Listen to your heart. Know that the peace of God will give you the power to see clearly in the midst of every challenge. Be your best, do your best, and give your best to the glory of God. Always remember Proverbs 27:19 "As in water face reflects face, so a person's heart reflects the person."

You will always be our greatest blessing. We love you with all of our hearts.

*Love,
Mom and Daddy*
