

Kasi uses her calculator to find the right answers in algebra class.

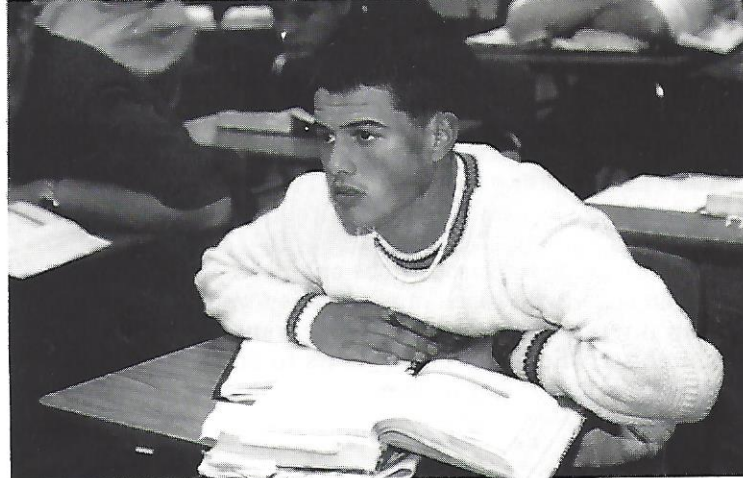

Clayton Strickland, who seems so hard at work, takes a moment to grin slyly for the camera.

"Alright, Charlie, hurry up and take the picture. I can only pose for so long," Lori says.

Already finished with her work, Natalie seems happy that algebra class is almost over! Who wouldn't be!!

Is Gordon really playing attention to Mrs. Marsha or is his mind elsewhere?
