

TREMENDOUS THIRD GRADE

Bubby Bryant

Sam Clayton

Axton Crolley

Nicholas Martin

Megan McFadden

The third grade is a truly terrific class. With the majority being boys, it comes as no surprise that football is their favorite sport to play at recess. Sam enjoys watching Rocket Power and Megan likes Scooby Doo. The third graders favorite book is Wizzard of Oz. During Christmas, the third grade showed their creativity by making ornaments.

The third graders really give Mrs. Horton a tough time. She is happy there are only five this year since they are so full of life.

Mrs. Horton does something special with a paper bag in her third grade class. Megan peeps around to get a better look at what she is doing. Bubba checks carefully to see if he followed directions.

Axton works very hard to keep up his honor roll status in Mrs. Horton's class but has time to have fun, too.
