Mr. Mixon enjoys teaching the sixth grade class and the students think he is great!

This sixth grade class is an energetic crew. They keep Mr. Mixson on his toes. The class consists of ten students. As a whole, the class agrees that their favorite subjects are recess and P.E. Erica and Justin were voted the best dressed. Everyone said that the class clown, Bryan, always keeps them laughing. Some of the funniest things that have happened so far this year include Stephen running into a pole, not paying attention to where he was going. The quietest of the bunch is Bobby and Patrick is the loudest. This class is full of athletic ability. Four of the girls are JV cheerleaders and six of the students play JV basketball. They are all getting very excited at the thought of being at the high school end of the building next year. The best advice they had to leave for the up-coming 6th graders was to stay on Mr. Mixon's good side.
