

JV GIRLS

What is a "team" to you?

Amanda Bennett

A team to me is a group of people who work together to achieve a goal. They show friendship during the sport whether they are friends or not.

Ashley Seigler

A team is people who play together as one. They are together as a team whether they are winning or losing.

Brandi Rentz

To me a team is a group of people working together to accomplish their goal. In order to be a team you must respect each other and be willing to help one another.

The JV girls have been through a few changes this year. Joining the team this season were Candice Still, Amanda Mixon, Erica Bessinger, Kristen Mixon, and Danielle Priester. Returning from last year were Amanda Bennett, Ashley Seigler, Kristan Bledsoe, Shelby Crolley, Brandi Rentz, and Faren Myers. These girls played more as a team than ever before. Just like any other team, they had agreements and disagreements, but they got along most of the time. The future looks great for the JV Lady Confederates. Thank you, Mr. Dan Stroman and Mr. Randy Rentz, for all of your hard work.
