This year's Junior Class is a group of energetic and spunky young people. Their favorite subject: Humanities; class clowns: Robert Gross and Robert Worrell; most athletic, Chris Hutto; most likely to succeed: Lauren Varn. Lesley Chavis and Jerrica Smith are the newest class members.

When away from school, most of the Juniors like to have a good time playing sports or just hanging out with friends. The majority of the class plans to further their education.

Each year the eleventh grade is a year filled with selling fruit, receiving of class rings, and finally planning and decorating of the Junior-Senior Prom. Even though they enjoy all of this, they can hardly wait to graduate!
