

Justin, just why are you sitting so close to the teacher's desk?

Victoria McCallister is a pretty and sweet addition to the fourth grade.

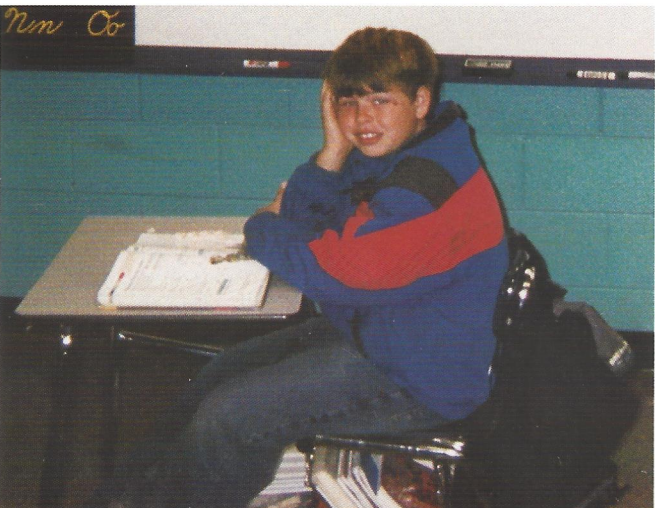

Ashley Freeman has a beautiful smile and looks pretty relaxed to be in class.

The fourth grade is a lively class made up of nine students. Their favorite subjects are math and spelling.

On the weekends, the fourth graders like to eat, farm, sleep, bowl, and play video games. Their favorite foods are ice cream, pizza, spaghetti, beans, chicken, and shrimp.

Jessica, Mark, Victoria, and Ashley all want to be veterinarians when they grow up. Lindsey wants to be a pharmacist. Austin wants to be in the Navy. Taylor P. wants to be a farmer and Taylor V. wants to grow turf for football fields just like his dad. Justin wants to be an artist.

There is no surprise that the favorite holiday of this class is Christmas!

Mark Whisenhunt looks like he can't wait for class to be over so he can go to recess.

Jessica Deer is such a "dear" young lady. Looks like she's warming her hands with her sleeves!
