

Taylor and Brooke are very studious and love to earn good grades.

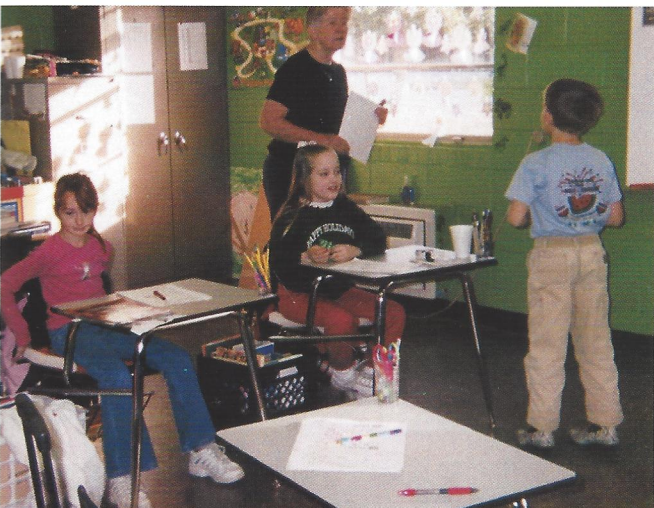

Matthew is the "king" of his class and enjoys all the attention the girls give him.

Katherine Blatchley is a pleasant addition to the second grade.

Leslie D. looks a little too tired but Kasey will get her work done promptly.

Brooke and Leslie B. listen while Matthew discusses something important with Mrs. Renew.

Mrs. Renew is the second grade teacher. She has her hands full this year with six very energetic girls and ONE boy! Their favorite subjects are math, handwriting, and phonics. Kat is the class clown and Brooke is the quiet one. Their favorite games to play at recess are Little Red Fox, Freeze Tag, and Duck, Duck, Goose.

Some of the second graders are ready to advance to third grade but others would rather to stay where they are.

The students want everyone to know they love Mrs. Renew very much!
