

Mari and Corey are having a great time at recess.

The first graders and Mrs. Fulmer got all dressed up for Thanksgiving as Pilgrims and Indians.

Josh, Wayne, Pressley, Sarah, and Justin are ready to participate in class.

Mrs. Fulmer watches over Mari, Katelyn, Farah, and Corey.

The first grade loves being in the “big school.” They really enjoy Mrs. Fulmer’s class. Corey’s favorite subject is reading, Josh’s is phonics, and Justin likes math.

Their favorite things to do away from school include riding horses and golf carts and going on trips to Florida.

They all have big plans for the future. Katelyn wants to be a vet, Farah wants to be a teacher, Sarah wants to be a firewoman, and Mary wants to be a cowgirl. Pressley’s favorite TV show is “Animal Planet.” Wayne’s favorite channel is Discovery.

Mrs. Fulmer loves teaching this class and says there is NEVER a dull moment.
