

Michael,

We can't believe how time has passed so quickly. You have grown to be such a wonderful young man. Your honesty, integrity and sensitivity have made us so proud. You are a terrific son and great brother. We have had so many good times, all the dirt biking, bonfires, pants shanking and wrestling in the kitchen. The long talks, back scratches and just laughing at all of your craziness. Stay true to yourself and true to the Lord. With that smile and your determination you can do whatever you set your mind to. We will always be here for you and always be proud, just remember to let God direct your paths always.

We love you so much, Mom, Dad, Natasha and Daniel

Hey you hunk a hunk of burning love,

Just wanted to tell you that I am very proud of you, as a matter of fact I will always be proud of you because you're my big brother. I'm really gonna miss you turning the bathroom light off on me and you saying the legendary line, I will kill you, I wish you the best of everything in the future. Follow God and you'll never go wrong. Rock on Mike!!!

Always, Natasha (A.K.A. Freak of Nature)
