

Kasi,  
*I can't believe  
the time has come for  
you to embrace new  
beginnings. I'm sure  
you will prosper in  
everything you do.  
I love you,  
Aunt Beth*

Kasi,

The road has been long but  
you made it just as we always knew  
you would. We love you and are so  
proud of you. There is nothing you  
can't accomplish and we know you  
will!

Love,  
Grandma S.
