Jacksonian

Beside the highway where the
crowds are passing,
Stands Andrew Jackson,
proud academy
And all will find who seek
within her portals
A wealth of wisdom, truth and
loyalty
Dear Andrew Jackson, we will
sing thy praises
And lift on high thy banner to
the sky.
Thy lofty aims will be our
inspiration
To deeds of honor, as the years
go by.

Sophomores

Getting driver's license, playing varsity sports, first love...all exciting events for sophomores!

Having no new students this year the sophomores still stay wild and crazy like usual. In only two years from now these eager teenagers will finally be out in the real world for the first time. They all seem like they are ready for it but if they only knew! Each and every student in this class plays a sport of some kind. Out of the three girls in this class only two of them cheer. All the girls agree that if it wasn't for the guys in our class we would have some boring days! Singing has been one of their main priorities this year. They always seem too have a new song in their heads to annoy the teachers with. In the summer the girls love to hit the beach and hang with their friends. The guys on the other hand work and when they have the time love to go fishing. After school each day most of them have some type of athletic practice but others watch television or do chores at home. The Class of 2008 is one to watch because you never know what's gonna happen and who's gonna be responsible!

In our crazy energetic freshman class, you will find some very special people. We had one new addition to come and stay with us, her name is Ginny. Ericka is by far the smartest one out the group. Janie never gets in trouble, because she is so quiet. Everyone always knows when John is around because; he is the loudest. Ryan never skips a beat to be on top of everything. Orry is said to be the master, the master at video games that is. We all love sports and try very hard to support our school. Our favorite subjects are math and computer. Our favorite time of the day is 3:05; of course we know what time that is. Our favorite things to do on the weekends are hunting and watching television. We are all looking forward to moving on to the tenth grade. The greatest thing of all is that we will all hopefully be driving by then. All we can say is watch out for the Class of 2007!

The AJA spirit is really great in this overwhelming class of Clemson supporters.

We are on the second step of the stairway to number twelve. We have already traveled a long way and it has been a real experience! Now that we are halfway up the stairs we are anxiously awaiting the next years of our school journey.

This year we had four new students to join us. They fit in real well with those of us who have been here for a long time.

Our class is a very spirited group and all of us are truly on the AJA team and this school will always have our loyalty.

Sam is the most studious student and there is really no one who is "quiet." Ashton and Nick are the best dressed. Sam and Rhett keep everyone laughing!

Jake, Madeline, Doug, and Dillon joined the class this year. Laura was chosen Grammar School May Queen, and Kirsten was chosen to serve as Maid of Honor. The guys participated in sports and always had something going on on the playground. Some of the girls enjoyed playing volleyball, basketball, and cheering. There was never a dull moment for Mr. Mixson. He had to stay on his toes keeping up with them. Sixth graders are always a challenge, and this class was no exception. They are excited about being able to change classes next year and to have different teachers during the day.

"What a challenging class this is," says Mrs. Horton!

You would think that this small class of five - sometimes six - would be easy to teach. Well, think again! The fourth graders are competitive, energetic, giggly, talkative, one of-a-kind, and inquisitive. With all these decriptive words you could write a book. It doesn't take much to set Mari and Pressley off on a giggle contest. Justin is very quiet but Wayne and Austin keeps things happening. Kenneth joined the class late and left again for Florida in January. We like having him around and miss him when he leaves. Mrs. Horton had to stay on her toes (and sometimes her knees - praying) to keep up with class. Years of experience can't prepare you for this generation of students! This third grade class is one of the best classes Mrs. Way has had in her thirty plus years of teaching. That is a wonderful compliment to her class. She says they get along well with each other. They do their work, they listen, and they play, all at the appropriate time. They don't complain and are all very cooperative. Now what more could you say. They sound "perfect" ... right? Well, if you dig a little deeper you will find that they are normal boys and girls with their moments... but Mrs. Way still has had a pleasurable year of teaching and looks forward to another year at AJA.

An Awesome Softball Season

Coaches Jimmy Still and Jeremy Gunnells had a challenging year with lots of new players having to learn the sport at hand. The team had a very successful year with the opportunity to head to the playoffs. AJA won the title of State Class A Runner-up for the 2005 season losing to Class AA Wardlaw. With only three team members graduating, the team anticipates winning the championship again in 2006.

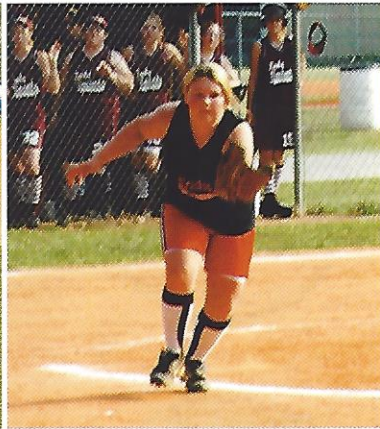

Working as a team makes it possible to advance to greater heights and win titles. AJA's softball team knows how to do it!

HOME RUN

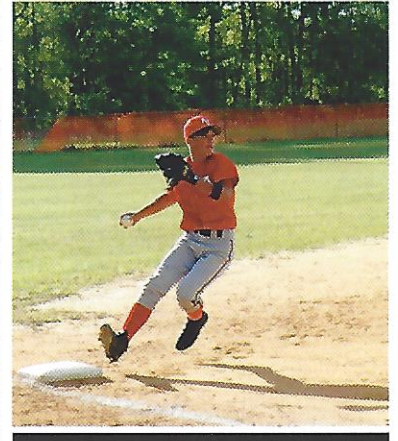

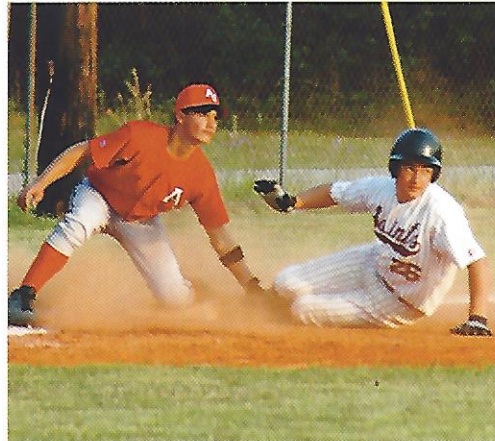

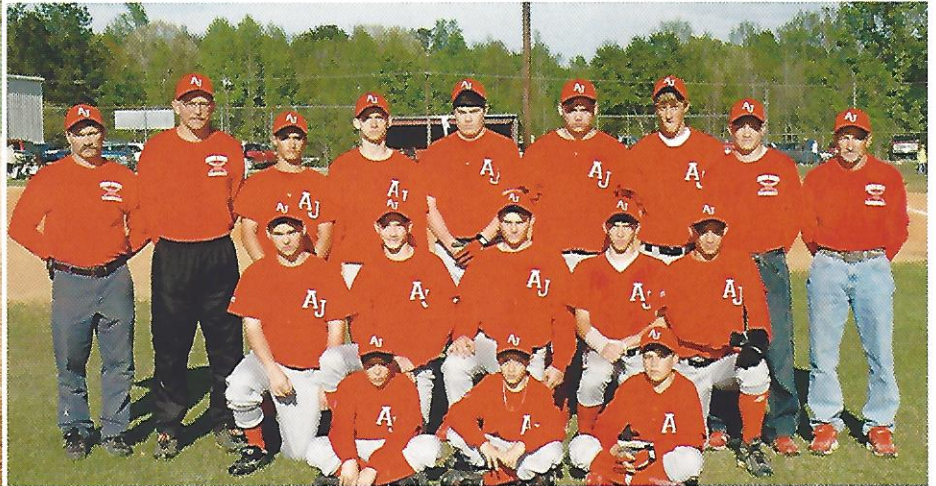

In his third year, Coach Mike Hall was very optimistic about his baseball team. AJA's second year of volleyball created more interest. The arrival of new coaches, Tommy and Amanda Elkins, was exciting. The team consisted of fourteen young ladies and they improved with every game. Next year is bound to be a winning year with the talent the team has. Team members were: Brandi Rentz, Brittney Pfaff, Brittany Gross, Scarlett Kinard, Victoria McCallister, Ashley Freeman, Ashton Murray, Madeline Elkins, Hannah Platt, Cassie Rice, Kirsten Holmen, Laura Rentz, Molly Cook, and Cortney Garcia.

Thank you, Senior Parents, for this very special section of our yearbook. You have given your child precious memories.

The best is yet to come!

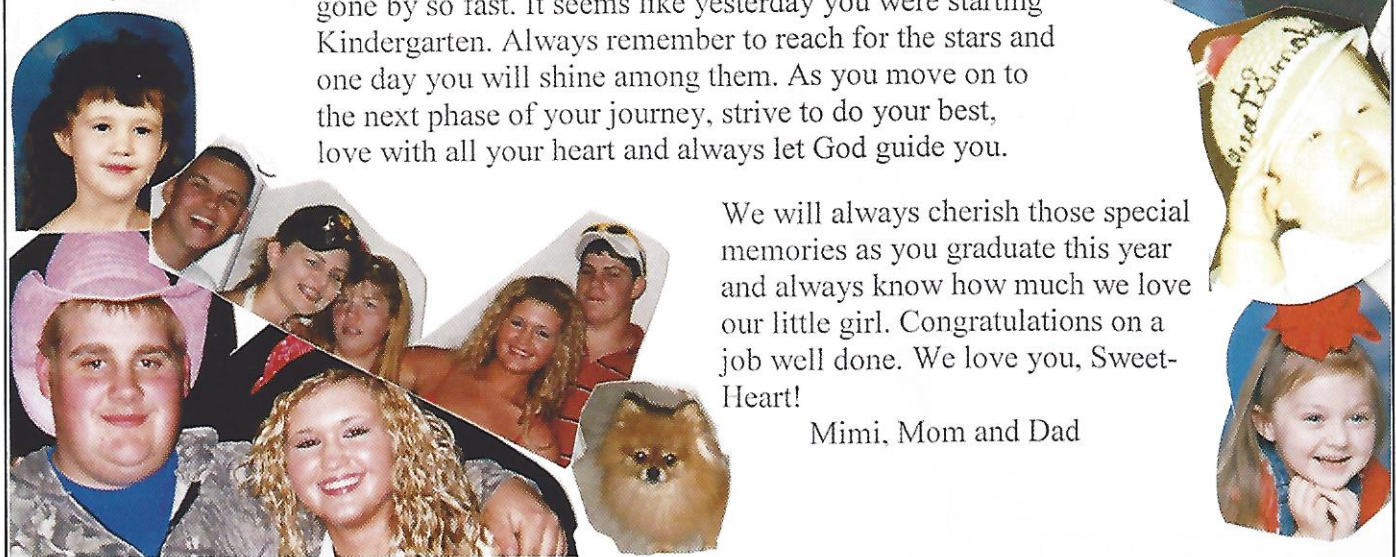

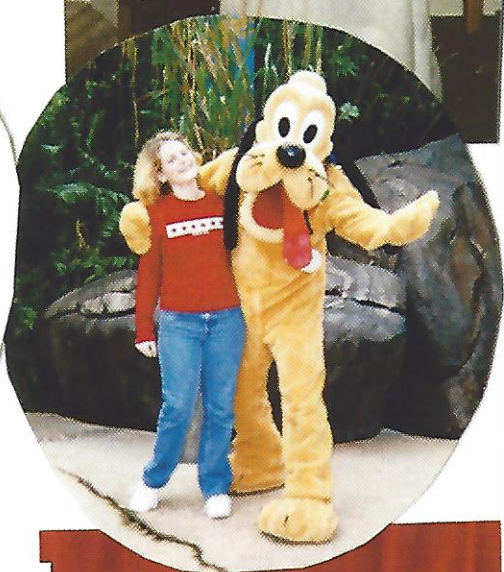

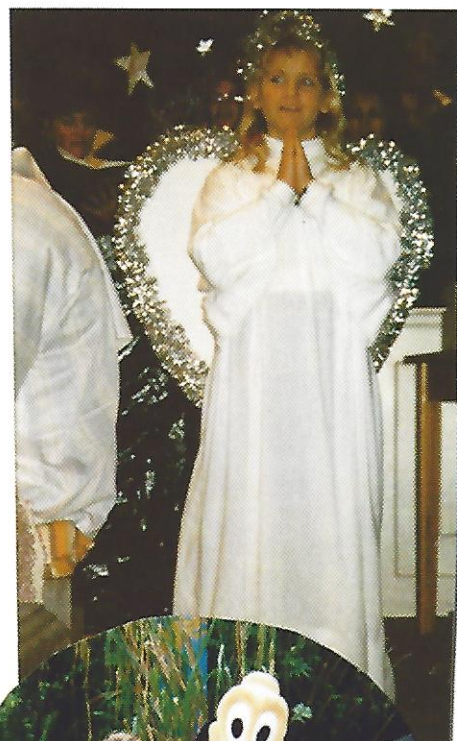

Brittney,

We were very blessed the day you were born and have watched you grow into a beautiful young lady. Time has gone by so fast. It seems like yesterday you were starting Kindergarten. Always remember to reach for the stars and one day you will shine among them. As you move on to the next phase of your journey, strive to do your best, love with all your heart and always let God guide you.

We will always cherish those special memories as you graduate this year and always know how much we love our little girl. Congratulations on a job well done. We love you, Sweet-Heart!

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

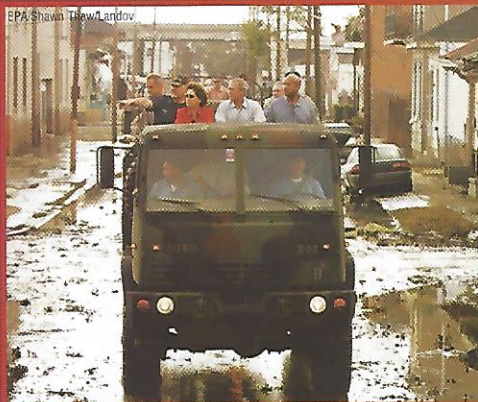

September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.
