

Derek,

I am very proud of you and I know that you will accomplish anything that your heart desires.

Derek,

Time flies by so quickly in the blink of an eye! I can't believe my little brother is graduating. If you listen to everything Daddy and Mama have instilled in you, I know you will go far in life. I am very proud of you!

Love,  
Heather

Derek,

On a cold November day, 18 years ago, our little boy was born. You made your dad's eyes gleam with joy. He loved his girls, but there was always a special place in his heart for his little boy. Remember all the rides in the truck, all of the fishing trips, and the many campfires ya'll built together in the mountains. Derek, you've made everyone very proud of you. Just remember, what your Dad and I have always told you since you were a little boy, "You can make your dreams come true."

Love,  
Mom, Granny, and Rebel
