

You're A Blessing

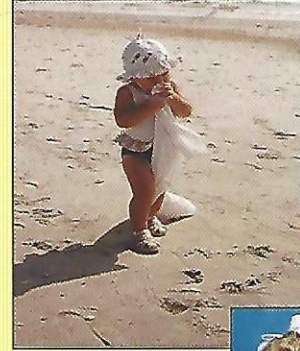

Before you were born
We'd never have guessed
Such a wonderful daughter
That we would be blessed

When you were little
We'd watch you play
You'd smile at us
In your own cute way
Our hearts would fill
With love for you
Without you we'd wonder
What would we do

And as you grew up
We watched you with pride
Happy we are
With you at our side

You're a blessing to us
You will always be
So much we love you
We hope this you see!

We love you and are very
proud of you,
Love Momma, Daddy
• and Matthew

Congratulations Erin!
