

Megan,  
 It's hard for me to believe that you are graduating from high school when it seems like yesterday that I was the one graduating. When I graduated, you were just beginning to grow but now you have blossomed into such an amazing person - charming, beautiful, intelligent, funny, outgoing - to only name a few. Continue to grow and strive for all your hearts desires and dreams. You can achieve anything!  
 Good luck and best of wishes on your journey.  
 Love ya,  
 Mom

Dear Meggy,  
 your the best  
 sister ever!

 Morgan

TO OUR SWEET GRANDDAUGHTER MEGAN (MY BINKY BABY),  
 WAY TO GO GIRL!  
 THE BEST OF THE BEST THAT'S YOU!  
 MAY ALL YOUR DREAMS AND WISHES COME TRUE.  
 WE LOVE YOU VERY MUCH.  
 GRANNY AND PAPA

To my beautiful niece,  
 Congratulations! I am so proud of you.  
 Now it's on to bigger, better and brighter things in life. May all your wishes and dreams come true. Live life to the fullest, do great things for humanity and mankind and be happy in all your endeavors to come. I love you and I am here for you always!  
 Love your Aunt Michele (Chele)

Megan,  
 Wishing you the best in the future.  
 I love you a lot!  
 Love, Will
