

The 2011-2012 Jacksonian is dedicated to Justin Bonnette, who has been an AJA Confederate since kindergarten. During the summer, Justin was diagnosed with Hodgkin's disease, a form of lymphoma. Throughout his illness Justin has been a brave and courageous teenager. Justin taught us that through any problem we can trust our Heavenly Father. Justin, you hold a special place in our hearts; you are our reminder that we can do all things through Christ. Thank you for the example you have so bravely shown us this year.
