

# Bailey Gray

Eighteen years have flown by,  
And Graduation's near.  
These pictures tell your story  
Some even bring a tear.

On the next road of your journey,  
Where it goes we cannot say  
But with your hand in God's hand  
We know you will find your way.

We are so proud of you.

Love  
Mamma, Daddy, Cole  
Papa and Little
