

The 2014-2015 Jacksonian is proudly dedicated to Mr. Craig Grantham

If you attend any sporting event at AJA, chances are you will see Mr. Craig in the canteen. He serves as the President of the Booster Club. He has two children, Kimberlin and Kade, who he enjoys spending time with. He graduated from Edisto High School and later Orangeburg-Calhoun Technical College. He is employed at Phoenix Specialty Washers.

Mr. Craig says that AJA is his second home. He volunteers numerous hours because he wants to make sure that the students have the opportunity to play sports. Mr. Craig encourages students to be active in their school so that they stay out of trouble. It is obvious that Mr. Craig loves and cares about AJA.

We would like to thank you, Mr. Craig, for all of your dedication and support you have given to Andrew Jackson and our student athletes.
