

DEDICATION

MR. H. A. ROBERTS, JR.

Mr. Roberts, The 1957 Crossroads is gratefully dedicated to you. It is yours for helping to build new friendships in a new school and yours for wonderful leadership when it was needed most. You have devoted your time, energy, and experience to help us in all our problems. You have done your best to mold us into good pupils and citizens.

To thank you for your leadership and guidance in our first two years at Bells High School, the Annual Staff of 1957 dedicates this annual to you.
