ORANGEBURG, S. C.

We, the Co-Editors and Business Manager of the 1957 Crossroads, would like to show our appreciation to the Annual Staff for their time, cooperation and effort they so willingly gave to make this book possible. "Thank you" we say to each member of the staff.

To Mrs. Roberts and Mrs. Hightower we say a very special "Thank you" for their advice, guidance and willingness to help us make a good yearbook.

We wish to show our appreciation to the advertisers for their support. Without you our book would have been impossible.

To the Faculty for their cooperation, we express our deepest gratitude.
