

# Added Color

The 1959 "Crossroads" Staff has tried very hard to make this the very best yearbook possible. There has been a lot of strife and strain, but we are proud of our success.

To our faculty, who have unfailingly and untiringly worked for our benefit, we offer our sincere appreciation and hope that we have justified the long hours and disappointments.

Seventh graders, Eighth graders, Freshmen, Sophomores, Juniors, Seniors - noisily opened and closed locker doors - raced two steps at a time to class - walked sedately to the lunchroom - counted last pennies to pay for invitations, annual, dues - surprised by the voice of the new "inter-com" system - exams, exams, EXAMS!! "Around the School in 180 Days."

We truly hope we have taken you Around Our School in 180 Days through pictures and words.

Ginger Ponds ----- Business Manager  
Sally Murdaugh ----- Assistant Business Manager
