
Thank You For Your Support

This year the annual staff has worked hard to produce this yearbook. It has been our pleasure and pride in making this "Crossroads" yearbook possible.

We cherish the traditions and ideals of our school and we hope that through the pages of this book that you, the readers, will gain an appreciation of what Bells High School means to us.

Our theme was "Around the School in 180 Days." We wish to express our appreciation to those who cooperated by giving of their time to enable us to get all the necessary pictures. Without your time and the generous gifts of money through your ads this annual could not have been printed.

We also wish to thank our faculty for graciously submitting to necessary class interruptions; our student body for its interest and encouragement; and our Advisor, Mrs. H. A. Roberts, for her patience and supervision.

To Mr. Jack Padgett and his employees, and to Keys Printing Company and their Mr. Ralph R. Shelley, we express our sincere thanks and ardent appreciation.

We sincerely hope that everyone enjoys their trip "Around the School in 180 Days" through the 1959 "Crossroads."

The 1959 Annual Staff
