MR. A. L. SMOAK

Mr. Smoak, please accept this small tribute from us for the splendid job you have done through the years at Bells. Your influence is felt now and will continue to be felt in years to come as a pebble tossed into the water continues to cause the ever widening ripples of water to flow outward. Thank you for your faithful teaching and guidance.

Mr. Getha, your title says Maintenance Supervisor. You are more than that to us. You have, indeed, gone beyond the call of duty many times. We are glad to honor you in this small way as you are our neighbor, a faithful father, good patron, carpenter, beloved handy man with tools and above all, our friend.

MR. G. E. SMITH
