## IN CLOSING. . .

Publishing "The Crossroads" would be entirely impossible without the aid and support of many people. May we take this opportunity to thank each person who helped us with our annual.

The administration, the faculty, and the student body merit our most sincere thanks for their interest and cooperation in helping us complete our task.

We also appreciate the generosity and assistance of our advertisers, publishers, and photographers who, in a most genuine way showed their willingness to help.

With the completion of "The Crossroads" of '60 we hope that we have given you a yearbook you will find satisfying now and a source of pleasure in the years to come.
