

Foreword

Bishop Whipple once said, "Precious and Priceless are the blessings which books scatter around our daily paths". We, whose daily paths have led us through the doorway to Bells High School, have been encouraged to enjoy the blessings of good books by our inspired teachers and dedicated librarians.

We hope that you, as you turn the pages of this edition of THE CROSSROADS, will share with us the idea that

Who will, may choose to wander far
over sea and land
For us, the table and the lamp extend
a friendly hand.
