

Band

DIRECTOR
Mr. W. T. Murphy

DRUM MAJORETTE
Patsy O'Quinn

Bells Band is starting on its fifth year, with 49 members and still growing. The P.T.A. and Booster Club has helped us in purchasing uniforms that represent about \$5000 in value to us. We have over 60 uniforms and other equipment.

Through our own selling and playing efforts we have been enabled to buy a bass drum, bass horn, cymbols, and melophone. All other instruments are student owned or rented. They also represent about \$5000. We need tenor saxophones, baritone horns, bass horns, a large bass drum, and other instruments for a more complete instrumentation.

One band member has attended two summer band clinics, and is now a big asset as our first drum-majorette. We will have majorettes also, as girls attend majorette schools.

Each school year the band makes from twenty to thirty public appearances and performaces.
