

## *"A Force For Community Action"*

### OBJECTIVES:

As set forth by the National Congress of Parents and Teachers:

- To promote the welfare of children and youth in home, school, church, and community.
- To raise the standards of home life.
- To secure adequate laws for the care and protection of children and youth.
- To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.
- To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

Along with a monthly informative program, the Bells P.T.A. sponsors several fundraising projects, a composition contest and a Science fair. Presently, playground equipment for the new elementary school is being purchased. Thus, it ties in strongly with the national theme-"Strengthening The Home-Source of Our Nations' Greatness."
